

Amazing FAMILY

FAMILY LIFE CHURCH WEEKEND

Family Life Church...Difference Makers,

I saw it but I could hardly believe it! It was an emotional movie with a most powerful message that I think will really make a difference in the lives of all who view it. It was the movie War Room! This movie is centered on prayer and the church in its promotion of building stronger marriages and families. It is an amazing story about how prayer made the difference in a couple's marriage and ultimately their family. **I believe it has the real potential of being an effective tool in strengthening families in our church and in our communities.**

What a powerful message that elevates the power of prayer to empower believers for more meaningful relationships. After seeing this movie at the Bishop's Roundtable, Kimberly and I sensed a witness along with our pastors Bishop I.V. & Lady Bridget Hilliard to do more than just applaud the producer and actors but to use this movie as a tool of ministry and evangelism to help people maximize their meaningful relationships through prayer and faith. **After 33 years of marriage this August and family building there is a real fire in my heart for helping others discover real fulfillment in their family and their marriage relationship.**

FAMILIES AND MARRIAGES ARE IN TROUBLE... WE MUST ACT NOW!!!

In life there comes along a cause, a clarion call, that we must answer and I believe that this is such a cause. Family Life, I'm asking that you would join in this community effort to make a difference in families and marriages in our church and our communities. **As an evangelical outreach thrust for our church I could not think of a better emphasis which will meet the emotional needs of the lost and hurting as you bring them to the saving knowledge of God's GRACE!**

I've put together a free **(electronic)** Amazing Family Empowerment Kit **(a \$20+ value)** that I will give to every person who attends the movie on **August 29th**. Outreach Kit **(electronic)** is given following dismissal on August 30th. You will need to sign up & purchase your ticket ASAP. The deadline is Wednesday, August 19th. I'm asking all families to support at least one family (unchurched) and purchase their tickets. This is a wonderful opportunity to witness!!! **WE ARE COUNTING ON YOU TO MAKE THIS AMAZING FAMILY WEEKEND LIKE NO OTHER!!!**

Pastor Tommy W. Nard, Sr.
